Ariete's **combined microwave oven** with grill is at your side at any time of the day, when you need to **quickly heat, cook or defrost** ready-made dishes for a quick meal, but also to speed up classic kitchen preparations when you have little desire to cook.

Combined microwave oven: how does it work? Thanks to the **3 combined functions**, the Ariete 952 microwave allows you to cook dishes by coosing to combine the **grill function** with the classic microwave cooking to obtain an even more crunchy result. In this way you will halve the cooking time of complex dishes such as lasagna, baked potatoes or roasts, also saving on the bill, because the microwave oven **doesn't need to preheat** like the traditional electric oven.

Ariete Microwave oven 952 is **fast** because thanks to the **5 power levels**, 3 combined functions and grill cooking, it allows you to solve the preparation of lunches and dinners in a few minutes, when you have little time to cook.
