The Moderna line Gourmet Pro food processor is a true ally for your recipes, a concentrate of power and functionality that will allow you to prepare any dish in a fast and easy way. With 1000W of power, it is able to chop, knead, blend, slice and juice, becoming your right-hand man in the kitchen.

What you can do with Gourmet Pro:

- chop vegetables, meat, nuts and cheese thanks to the stainless steel blade;
- slice and grate foods thanks to the disc with 3 interchangeable stainless steel blades;
- knead pizza, bread, cake and fresh pasta;
- prepare a genuine and energetic juice;
- whip cream and beat egg whites for your homemade desserts;
- blend ingredients with the 2-liter blender to make smoothies, soups, sauces and to crush ice.

Both jars are made of durable, high-quality materials, ensuring long lasting durability.

Gourmet Pro has 2 speeds + Pulse and is characterized by its modern design and sturdy, durable structure to ensure durability.
