

## SANI-JET CLEAN

**Model:** 4078/00

**Code:** 00P407800ARIT

**EAN:** 8003705119475

**Sani-Jet Clean** is the **water-soluble powder sanitiser** that can be sprayed using the Ariete Sani-Jet directly on any surface or in any environment, both at home and at work, to clean and remove dirt, germs and bacteria. When dissolved in water the powder generates 0.1% active chlorine, which can be **used for sanitising environments and surfaces in compliance with the Italian National Institute of Health.**

With a single sachet of Sani-Jet Clean you can sanitize up to 200sqm of rooms and surfaces and you can keep the active solution directly in the tank for about 7 days, or in any case until it's pink in color.
